

Reclamation District 799

Public Records Request

Person Requesting:

Date Requesting:

Mailing Address:

Email Address:

Phone Number:

Items Being Requested:

The District is required by law to respond to public records requests in writing within 10 days of receipt of the request. That doesn't mean that the records must be ready within 10 days, but rather that the district may send you a letter/e-mail informing you that the District has records and when they will be available for inspection.

There is a charge for copies done by this office. The rate per page for a black and white copy is \$.15 cents per page. The rate per page for a color copy is \$.20 cents per page.
