

Items to be discussed with City of Oakley & DeMora Homes

- Precise assignment of O&M maintenance responsibilities
 - 1) All weather road - asphalt maintenance
 - 2) staircases for pedestrian access
 - 3) Signage
 - 4) litter removal - trash cans, dog poop bags, etc.
 - 5) New levee toe subdrain and pipe system connecting to county/city storm drain
 - 6) station markers
 - 7) traffic bollards
- Is City of Oakley going to allow RD799 to regulate discharge of in tract pumping stations to RD799 pump stations
 - possible formation of ad hoc committee
- Can RD799 staff participate in City of Oakley emergency response exercises
- CFD details; clarity on how this works:
 - what is it actually funding (i.e. O&M expenses, advance funding, PS# 3 upgrades, etc.)
