**Subject: Reclamation District 799 (Hotchkiss Tract)
Delta Levees Subventions Program 2023 - 2024 Final Claim**

Dear Ms. Lobato:

In accordance with Part 1, Article 4, of the Delta Levees Maintenance Subventions Program Procedures and Criteria (September 23, 2011), and your letter dated February 8, 2023, Reclamation District 799 hereby submits the final claim for reimbursement in the amount of \$131,905.77 for work accomplished to date under the Delta Levee Subventions Program during fiscal year 2023 - 2024.

Respectfully submitted,

A handwritten signature in black ink that appears to read "David Senior".

David Senior
Board President

**DELTA LEVEE MAINTENANCE SUBVENTIONS PROGRAM
WORK AGREEMENT
FISCAL YEAR 2023 - 2024**

AND

NOTICE OF EXEMPTION

**Delta Levee Maintenance Subventions Program
WORK AGREEMENT
Fiscal Year 2023-2024**

This Agreement is entered into as of the _____ day of _____, by and between **The Central Valley Flood Protection Board** of the State of California, hereinafter referred to as the "Board" and **Reclamation District No. 799**, a political subdivision of the State of California, hereinafter referred to as "Local Agency."

WHEREAS, Part 9, commencing with Section 12980 of Division 6 of the California Water Code establishes a program for State financial assistance to local agencies responsible for maintenance of nonproject and certain project levees in the Sacramento-San Joaquin Delta; and

WHEREAS, The Central Valley Flood Protection Board approved the Delta Levee Maintenance Subventions Program 2016 Guidelines, dated August 26, 2016; and

WHEREAS, Part 9 requires local agencies to enter into an agreement with the Board to perform maintenance and improvement work as approved by the Board in accordance with administrative provisions and criteria adopted by the Board; and

WHEREAS, the Local Agency has submitted and the Board has approved levee maintenance and improvement plans in accordance with those provisions and criteria; and

WHEREAS, on November 24, 1997, as required by California Water Code Sections 12307 and 78543, the Board, the Department of Water Resources, hereinafter referred to as "DWR" or "Department," the Department of Fish and Game, now known as the California Department of Fish and Wildlife (CDFW), and the Resources Agency executed Amendment No. 1 to the Memorandum of Understanding, requiring projects or plans to be consistent with a net long-term habitat improvement program in the delta; and

WHEREAS, In November, 1999, CDFW issued the "Fish and Wildlife Enhancement Guidance Document" to ensure net long-term habitat improvement; and

WHEREAS California Water Code Section 12987 provides that CDFW ensures expenditures must be consistent with a net long-term habitat improvement program and have a net benefit for aquatic species in the Delta; and

WHEREAS, the Local Agency, DWR, and CDFW agree that the Local Agency has completed or is in the process of completing all of the requirements of California Water Code Sections 12987 and 79050 in its previous agreements with the Board.

NOW, THEREFORE, IT IS HEREBY AGREED THAT:

1. This Agreement covers the performance, inspection, reimbursement, and cost sharing of maintenance and improvement work performed on nonproject and eligible project levees by the Local Agency from July 1, 2023 to June 30, 2024.
2. The Local Agency shall accomplish the annual routine maintenance and rehabilitation work specified in the application prior to June 30, 2024. Local Agency shall be responsible for providing a registered engineer for appropriate direction and supervision of work described in the Local Agency's application to ensure that the work complies with accepted engineering and construction practices. Increased oversight by the Local Agency's engineer is expected with regard to any levee rehabilitation work.
3. No employee, officer, employer, or agent of the Local Agency shall participate in the selection, award, or administration of a contract for which reimbursement will be sought if a conflict of interest, real or apparent, would be involved. The Local Agency shall comply with all applicable laws on conflict of interest including, but not limited to, Public Contract Code (PCC) sections 10335.5 et seq., PCC sections 10365.5 et seq., PCC sections 10410 et seq., and Government Code sections 1090 et seq. and 81000 et seq.
4. On March 4, 2022, the Governor issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. The EO may be found at: <https://www.gov.ca.gov/wp-content/uploads/2022/03/3.4.22-Russia-Ukraine-Executive-Order.pdf>. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under State law. The EO directs DWR to terminate funding agreements with, and to refrain from entering any new agreements with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine that the Funding Recipient is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this Agreement. The State shall provide the Funding Recipient advance written notice of such termination, allowing the Funding Recipient at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.
5. The Local Agency shall be responsible for environmental compliance that may be necessary for the maintenance and improvement work covered by this Agreement including, but not limited to, compliance with the California Environmental Quality Act, the California Endangered Species Act, and obtaining a Streambed Alteration Agreement (Fish and Game Code Section 1600 et seq.). The Local Agency agrees to comply with all applicable State, federal, and local laws including, but not limited to, any environmental protection and habitat improvement required pursuant to California Water Code Section 12987. Prior to any payments to the Local Agency, pursuant to this Agreement, the Local Agency shall submit to DWR and CDFW, an acceptable habitat improvement program component which includes any mitigation and enhancement

required by CDFW, which is consistent with a net long-term habitat improvement program. If a net long-term habitat improvement component is not agreed upon by the parties hereto and CDFW, then all payments made pursuant to this Agreement shall be subject to reimbursement by the Local Agency.

6. Work that is subject to the California Environmental Quality Act (CEQA) shall not proceed under this Agreement until documents that satisfy the CEQA process are received by DWR and DWR has completed its CEQA compliance review. Work that is subject to a CEQA document shall not proceed until and unless concurred with by DWR. Such concurrence is fully discretionary and shall constitute a condition precedent to any such work for which it is required. Once CEQA documentation has been completed, DWR will consider the environmental documents and decide whether to continue to fund the project or to require changes, alterations or other mitigation.

7. When reference is made herein to criteria or administrative procedures adopted by the Board, it is intended to include all addenda and supplements to said criteria or procedures.

8. Upon completion of the work agreed to be funded, the Local Agency shall submit a final claim completion report and notify DWR and CDFW for a joint inspection of the work. The Local Agency shall cooperate in the conduct of all inspections, including inspections by DWR, pursuant to California Water Code Section 12989, to monitor and ascertain compliance with and progress toward meeting the standards in the State's Flood Hazard Mitigation Plan for the Sacramento-San Joaquin Delta (DWR Office of Emergency Services, dated September 15, 1983), as updated or amended. To be eligible for reimbursement, the work shall be completed in the fiscal year for which application was made and approved.

9. In accordance with California Water Code § 9140, if Local Agency is responsible for the operation and maintenance of a project levee, or if Local Agency operates and maintains a nonproject levee that also benefits land within the boundaries of the area benefited by the project levee, Local Agency shall prepare and submit to DWR, on or before September 30th of each year, a report of information for inclusion in periodic flood management reports prepared by DWR relating to the project levee. The information shall include all of the following:

- a. Information known to the Local Agency that is relevant to the condition of the project levee.
- b. Information identifying known conditions that might impair or compromise the level of flood protection provided by the project levee.
- c. A summary of the maintenance performed by the Local Agency during the previous fiscal year.
- d. A statement of work and estimated cost for operation and maintenance of the project levee for the current fiscal year, as approved by the Local Agency.

- e. Any other readily available information contained in the records of the Local Agency relevant to the condition or performance of the project levee, as determined by the Board or DWR.
10. In accordance with California Water Code § 9650, if Local Agency receives funding from the State to upgrade a project levee that protects an area in which more than 1,000 people reside, the Local Agency responsible for the project levee and any city or county, including charter cities or counties, protected by the project levee shall enter into an agreement to adopt a safety plan within two years. The safety plan shall be integrated into any other Local Agency emergency plan and shall be coordinated with the state emergency plan. The local entity responsible for the operation and maintenance of the project levee shall submit a copy of the safety plan to DWR and the Central Valley Flood Protection Board. No advances or reimbursements shall be made by the State for a levee covered by this paragraph until it receives the Agreement from all necessary entities. The safety plan shall include all of the following elements:
 - a. A flood preparedness plan that includes storage of materials that can be used to reinforce or protect a levee when a risk of failure exists.
 - b. A levee patrol plan for high water situations.
 - c. A flood-fight plan for the period before the state or federal agencies assume control over the flood fight.
 - d. An evacuation plan that includes a system for adequately warning the general public in the event of a levee failure, and a plan for the evacuation of every affected school, residential care facility for the elderly, and long-term health care facility.
 - e. A floodwater removal plan.
 - f. A requirement, to the extent reasonable, that either of the following applies to a new building in which the inhabitants are expected to be the essential service providers:
 - 1.) The building is located outside an area that may be flooded.
 - 2.) The building is designed to be operable shortly after the floodwater is removed.
11. The Local Agency, its Engineer, contractors, subcontractors, and their respective agents and employees required for performing any work shall act in an independent capacity and not as officers, employees, or agents of the State. The Local Agency is solely responsible for planning, design, construction, maintenance, and operation of its levees. Any inspection, review or approval by the State is solely for the purpose of proper administration of State funding and shall not be deemed to relieve or restrict the Local Agency's responsibility for the safety and integrity of its levees. The Local Agency shall cooperate in the conduct of any State review or inspection.
12. The Local Agency shall be responsible for compliance with competitive bidding, prevailing wage provisions, contract administration laws, and all applicable labor laws including, but not limited to, Public Contract Code Section 20920, et seq., California Water Code Section 50907; and Labor Code Section 1720 et seq. and 1770 et seq.

Prior to awarding a contract for a public works project funded in whole or in part under Proposition 50, Proposition 84, or any other source of funding so requiring, the Local Agency shall adopt and enforce a labor compliance program pursuant to Labor Code Section 1771.5. The Local Agency must comply with California Labor Code Section 1773.3 (Duty to notify the California Department of Industrial Relations (DIR) when awarding a contract for a public works project. Construction work performed by Local Agency forces may be exempt from competitive bidding and shall be reimbursed pursuant to the equipment rates established by Caltrans (annual labor surcharge and equipment rental rates) and the Delta Levees Subventions Program. These equipment rental rates are available on the internet at <http://www.dot.ca.gov/hq/construc/>.

13. The Local Agency shall maintain records and books relating to the costs and quantities of labor and materials used, purchased, or contracted for in the performance of its levee maintenance and improvement work. The Local Agency shall maintain all receipts, accountings, books, invoices and records, pertaining to its levee work for a period of 10 years after the work has been performed or the expenses incurred. The Board and DWR shall have full and free access at all reasonable times to these books and records with the right at any time during office hours to make copies thereof. The Board, DWR, and the California State Controller's Office shall have the right to conduct audits, from time to time, of the Local Agency's expenditures for levee maintenance and improvement, the purpose of such audits being to assure that subvention funds are being properly used, that payments are not being made under other assistance programs for the same work, and that the Local Agency is seeking the most reasonable terms in its use of State funds. The Local Agency shall cooperate fully in any such audit.

14. The Local Agency shall be eligible for reimbursement for work satisfactorily completed in accordance with the following:

- a. Rural Levees – an area that is not urban.
 - 1.) No costs shall be reimbursed until the local agency has spent an average of \$1,000 per levee mile for all of its rural nonproject and eligible project levees;
 - 2.) The local agency shall be reimbursed up to 75 percent of eligible costs incurred in excess of \$1,000 per levee mile for all of its nonproject and eligible project levees.
- b. Urban Levees – an area in which 10 percent or more of the land area within the project area is used for residential use.
 - 1.) No costs shall be reimbursed until the local agency has spent an average of \$2,500 per levee mile for all of its nonproject and eligible project levees;
 - 2.) The local agency shall be reimbursed up to 75 percent of eligible costs incurred in excess of \$2,500 per levee mile for all of its nonproject and eligible project levees.

- c. If, in any year, the total eligible costs incurred exceed the State funds available, the Board shall apportion the funds among those levees or levee segments identified by DWR as being most critical and beneficial, considering the needs of flood control, water quality, recreation, navigation, habitat improvements, and fish and wildlife.
 - d. The Local Agency acknowledges that pursuant to California Water Code Section 12986, DWR shall require the Local Agency to provide information to DWR that may include, but not be limited to, a detailed engineer's report prepared pursuant to subdivision (b) of Section 4 of Article XIID of the California Constitution, audited financial statement, or an assessment commissioner's report.
 - e. The Local Agency acknowledges that the information or study shall be the basis for DWR's determination of the maximum allowable reimbursement. The Local Agency agrees to return to DWR any reimbursements paid to the Local Agency that are in excess of the maximum allowable reimbursement, based on an updated study of the agency's ability to pay.
 - f. Local Agency shall apply for federal disaster assistance whenever eligible.
15. State expenditures under this Agreement shall not exceed \$660,825 subject to the availability of funds. The Local Agency estimated reimbursement approved by the Board on June 23, 2023 is \$176,545. The maximum approved advance amount, limited to 75% of the approved estimated reimbursement is \$132,408. The Board may increase the estimated reimbursement and advance amounts if information that warrants an increase becomes available.
16. Advanced payments or progress payments may only be made to Local Agency after DWR and CDFW determine the following approval requirements have been met by the Local Agency:
- An AB 360 program *Advance Payment Information Form* is approved in writing by CDFW and DWR.
 - A joint CDFW and DWR inspection is completed, as needed, and CDFW has evaluated the extent of the potential impacts associated with the funded project activity.
 - Documentation is submitted to DWR confirming that eligible deductible expenditures exceed the \$1,000 per levee mile criteria.
 - A schedule and appropriate bidding and contract documentation are submitted to DWR for projects requesting advanced funding.
17. To comply with the net long-term habitat improvement program and to have a net

benefit to aquatic species as required by California Water Code Sections 12987 and 79050, in the event levee maintenance or improvement activities result in a net long-term loss of riparian, fisheries or wildlife habitat, the District agrees to fully mitigate this loss at a time, site and manner subject to CDFW approval.

18. Each Local Agency must comply with the requirements of the Delta Stewardship Council (DSC) regarding Covered Actions. If the Local Agency determines any activities are a Covered Action under Water Code Section 85057.5, the activities are required to be consistent with the regulatory policies of the Delta Plan. The Local Agency must certify consistency with the Delta Plan by submitting a Certification of Consistency to the DSC prior to performing covered activities. Information regarding Covered Actions and Certification of Consistency may be found on the DSC's website at the following locations:

1. Covered Actions: <https://coveredactions.deltacouncil.ca.gov>
2. Certification of Consistency:
http://coveredactions.deltacouncil.ca.gov/certification_process.aspx

19. If DWR finds that work under this Agreement has not been satisfactorily performed, or where advances exceed actual reimbursable costs, the Local Agency shall promptly remit to DWR all amounts advanced in excess of reimbursable costs (California Water Code Section 12987). In the event that Local Agency has an outstanding obligation with DWR pursuant to this paragraph, DWR may seek such reimbursement from the Local Agency by any appropriate means including but not limited to, collecting any amount owing to the Local Agency from DWR or the Board under the Delta Flood Protection Program.

20. The Local Agency shall indemnify and hold and save the State of California, the Board, DWR, and all other agencies or departments of the State and their employees, free from any and all liability for any claims and damages (including inverse condemnation) that may arise out of this Agreement, including but not limited to, those arising from the planning, design, construction, maintenance and operation of levee rehabilitation measures for this Project and any breach of the terms of this Agreement. Local Agency shall require its contractors to name the State, its officers, agents and employees as additional insured's on their liability insurance for activities undertaken pursuant to this Agreement. Local Agency shall also require its contractors to have applicable performance and payment bonding in place before commencing work. The Local Agency's indemnity and related obligations under this Agreement also extend to any similar Department indemnity and related obligations with the U.S. Army Corps of Engineers for emergency assistance, response and rehabilitation of Local Agency's facilities and the Local Agency hereby expressly assumes those obligations.

21. No waiver of any breach of this Agreement shall be held to be a waiver of any other or subsequent breach, and no excuse of any condition or covenant shall be held to be an excuse of any other condition or covenant, or the same condition or covenant at a subsequent time.

22. This Agreement may be amended in writing by the mutual consent of the parties hereto.

23. The AB 360 Program Funding Claim Information Form with information detailing areas of work on the levees shall be submitted prior to any consideration for reimbursement.

24. All final claims associated with this Agreement shall be submitted by November 1, 2024. DWR requires that all habitat and mitigation requirements under this Agreement shall be completed to the satisfaction of CDFW no later than three years from the date of this Agreement absent a waiver of this requirement by DWR in writing. In the absence of this waiver, failure to complete habitat and mitigation requirements within the three-year period will result in forfeiture of reimbursement under this Agreement and future agreements within the Delta Levees Program, until mitigation and habitat requirements are complete. It is the responsibility of the Local Agency to request this waiver of DWR.

**RESOLUTION OF THE BOARD OF TRUSTEES
RECLAMATION DISTRICT 799 (HOTCHKISS TRACT)
AUTHORIZING SIGNING OF AGREEMENTS FOR
PARTICIPATION IN FISCAL YEAR 2023-2024
DELTA LEVEE SUBVENTIONS PROGRAM**

RESOLUTION NO. 2023-10

August 31, 2023

WHEREAS, the Central Valley Flood Protection Board of the State of California requires signed Agreements for participation in the Delta Levee Subventions Program for 2023-2024; and

WHEREAS, Reclamation District 799 (Hotchkiss Tract) wishes to participate in the Subventions Program and sign all agreements and addendum to such agreements,

NOW THEREFORE, BE IT RESOLVED THAT the Board of Trustees of Reclamation District 799 authorizes Board President Jim Price and District Secretary Dina Holder to execute and sign the agreement for the 2023-2024 fiscal year, and the hold harmless agreement with the state for the Levee Subventions Program for 2023-2024.

PASSED and adopted by the Board of Trustees at a regular meeting of Reclamation District 799 (Hotchkiss Tract) on August 31, 2023 by the following vote:

Ayes:	Trustees: Price, Hanson, Kent, Pierce, and Senior
Noes:	None

Project Title: Routine Levee/Drainage Maintenance Work for FY July 1, 2023 thru June 30, 2024

Project Applicant: Reclamation District 799 (Hotchkiss Tract)

Project Location - Specific:

8.9 miles of existing levee in Hotchkiss Tract in Contra Costa County, CA

Project Location - City: Oakley Project Location - County: Contra Costa

Description of Nature, Purpose and Beneficiaries of Project:

Nature: routine maintenance activities (placement of earth fill, rip-rap, gravel, etc.) on levees to replace material lost due to erosion and the cleaning of drainage ditches. Purpose: maintain levee integrity and drainage capacity. Beneficiaries: wildlife and property owners within the District and the CA water quality.

Name of Public Agency Approving Project: Reclamation District 799 (RD 799)

Name of Person or Agency Carrying Out Project: Michael Alvarez, Dist. Mgr., RD 799

Exempt Status: (check one):

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: Class 1 (sec 21084; 15301)
- Statutory Exemptions. State code number: _____

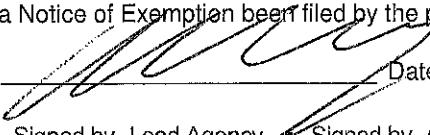

Reasons why project is exempt:

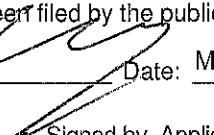

The work consists of the required maintenance of an existing flood control facility.

Lead Agency
Contact Person: Michael Alvarez, Dist. Mgr. Area Code/Telephone/Extension: 925-684-2398

If filed by applicant:

1. Attach certified document of exemption finding.
2. Has a Notice of Exemption been filed by the public agency approving the project? Yes No

RESOLUTION 2023-1

**A RESOLUTION OF THE BOARD OF TRUSTEES OF
RECLAMATION DISTRICT NO. 799 MAKING A DETERMINATION UNDER THE
CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) FOR PARTICIPATION IN
THE FY 2023-2024 DELTA LEVEES MAINTENANCE SUBVENTIONS PROGRAM**

**NOW, THEREFORE, BE IT RESOLVED, AND IT IS HEREBY RESOLVED BY THE
BOARD OF TRUSTEES OF RECLAMATION DISTRICT NO. 799,** that the FY 2023-2024
Delta Levees Maintenance Subventions Application work consists of routine levee maintenance
to existing levee improvements and falls within the categorical exemptions to the California
Environmental Quality Act.

RESOLVED FURTHER, that the District finds that the proposed work will not have a material
adverse effect upon the environment.

RESOLVED FURTHER, that said work does not constitute an exception to the exemptions of
the California Environmental Quality Act; and

RESOLVED FURTHER, that Mr. Michael Alvarez is directed to prepare and file with Contra
Costa County the appropriate notice of exemption on behalf of the District.

PASSSED AND ADOPTED by the Board of Trustees at an adjourned Regular meeting of Reclamation District 799 on March 30, 2023, by the following vote:

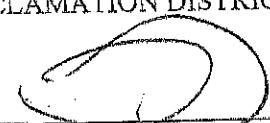

AYES: Trustees: Price, Kent, and Pierce

NOES: None

ABSENT: Trustee Hanson and one vacant seat

ABSTENTION: None

RECLAMATION DISTRICT NO. 799

By: 
Board President Jim Price
Board of Trustees

Certification: I, Dina Holder, Secretary of the Reclamation District No. 799 (Hotchkiss Tract), do hereby certify that the foregoing is a full, true and correct copy of a resolution of Reclamation District No. 799 duly and regularly adopted at a special meeting of the Board of Trustees of said District duly held on March 30, 2023, a majority and quorum of the members of said Board being present and all voting in favor of said Resolution; and that said Resolution has not been modified, rescinded, altered, or amended and is now in full force and effect.

Dina Holder – District Secretary for RD799

CLAIM FORM

JULY 1, 2023 - JUNE 30, 2024

AB 360 PROGRAM FUNDING CLAIM INFORMATION FORM

This form must accompany all Subventions and Special Project funding claims for levee work under the AB program. This includes progress claims, and emergency work (as soon after work completion as possible). This form is intended to summarize information necessary to comply with AB 360 mitigation/enhancement requirements. Use of this form will expedite the field inspection and payment process. It does not replace any other required AB 360 paperwork.

1. Claimant information

- A. Reclamation District Name/Number: Reclamation District 799 (Hotchkiss Tract)
- B. Engineer: Mark Fortner, GEI Consultants
- C. Fiscal Year 2023 - 2024

2. Work Description

Briefly describe the work actually performed. Identify locations by levee station and land/water as applicable. Include work dates. If there are various work locations, include the range of workstations. Provide pre-project and post-project photographs of any in-water work.

3. Annual Routine Maintenance

Routine Levee Inspection (Map A)
Monitoring Levee from Stations 00 to 470

Rodent Control (Map B)

Shaping/Repair of Levee Crown (Map C)

75 yards of sand

Repair of Patrol Roads (Map D)

6 yards of sand

4 yards of gravel

Repair of Minor Slipouts/Erosion (none)

Debris Removal (Map F)

No Map G

Cleaning Toe Ditches (Map H)

Vegetation Control (Map I)

Rock Replacement (Map J)

398 yards of rip rap

18 yards of gravel

Removal of Encroachments (None)

1. Mapping

Attach a map showing work locations. Include levee stations to the nearest 1,000 feet. Maps provided.

2. Project Impacts

Describe project impacts to vegetation. Include locations, descriptions, and pre- and post-project photographs of any vegetation (except ruderal) removed.

Only non-native, ornamental plants and weeds were removed on the levee during road maintenance and shaping.

Roads: graded top of levee and knocked down weeds. Cut trees back for emergency vehicle access.

Erosion/subsidence: Replaced rock, no vegetation disturbed.

Vegetation control: sprayed top of levee for weed control and removal.

Waterside slope protection: No vegetation disturbed.
